IMPORTANT INSTRUCTIONS

The Zoning Code of the Village of Fairmont City divides the community into specific districts in which any specific use of property is either permitted by law, prohibited by law, or allowed only as a Special Use. Those uses allowed only as a Special Use are reviewed on a case-by-case basis so that any potentially negative effect can be identified and addressed. A Special Use Permit, if granted, can include special conditions under which the use must be operated. The procedures to be followed in order to issue a Special Use Permit, are listed in the Zoning Code under Section 40-5-5. The applicant must be prepared to **prove** that the request for a Special Use Permit meets the requirements as outlined in that section.

Upon submission of this application, the Zoning Board of Appeals will schedule a public hearing. You will be notified by Certified mail of the date and time of the hearing. A notice will also be published and copies mailed to affected property owners. You or a representative may be required to testify and present evidence at that hearing. The members of the Zoning Board of Appeals may question you and require other testimony. In addition, any interested party may testify either in favor of or against your request. Upon completion of the hearing, the Zoning Board of Appeals will forward a recommendation to the Village Board, who then consider your request in conjunction with the recommendation and findings of the Zoning Board of Appeals. If the Village Board votes to grant a Special Use Permit, they will pass an ordinance, which will officially enact the Permit.
